

MSO SELECT™

ADJUVANT

PRINCIPAL FUNCTIONING AGENTS

Modified vegetable oil	91.0%
Proprietary emulsifiers	9.0%
TOTAL	100.0%

All ingredients are exempt from tolerance under 40 CFR 180

MODIFIED VEGETABLE OIL

KEEP OUT OF REACH OF CHILDREN
CAUTION

May cause eye and skin irritation. Avoid contact with skin, eyes or clothing. Do not take internally. Wear approved organic vapor mist respirator, chemical goggles and face shield, gloves, coveralls, apron and boots. Do not eat, drink, smoke or chew gum while using this product. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. In addition, follow precautionary statements on all products used with this material. Clean affected clothing, shoes, and protective equipment before reuse.

Personal Protective Equipment: Wear chemical-resistant goggles or face shield and rubber gloves, long-sleeve shirt and pants and shoes and socks.

FIRST AID	
IF SWALLOWED:	<ul style="list-style-type: none"> Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.
IF ON SKIN OR CLOTHING:	<ul style="list-style-type: none"> Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.
IF INHALED:	<ul style="list-style-type: none"> Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.
IF IN EYES:	<ul style="list-style-type: none"> Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye.
<p>Call a poison control center or doctor immediately for treatment advice. Have the product container with you when calling a poison control center or doctor, or going for treatment.</p>	

MSO SELECT[™]

ADJUVANT

GENERAL INFORMATION

A selected blend of modified vegetable oils and nonionic surfactants, **MSO Select** will improve the performance of spray applications by enhancing the penetration of active ingredients through the weather hardened cuticle of targeted pests to the mode of action site. **MSO Select** slows drying time which enables better uptake of the pesticide and more complete pest control.

DIRECTIONS FOR USE

Follow the directions on all pesticide labels. Use **MSO Select** with any pesticide that requires or suggests the use of an MSO, ESO, MVO or other oil-based adjuvants. The first time the product is used, perform a compatibility (jar) and phytotoxicity test before application.

USE RATES

- Herbicides, defoliants, desiccants: 0.5-1% v/v
- Insecticides, fungicides, miticides: 0.0625-0.125% v/v
- Small spray equipment: ½ ounce per gallon of finished spray solution
Must not exceed 5% v/v of total spray solution.

MIXING INSTRUCTIONS

Follow the mixing order established on the pesticide label. If instructions are not provided, follow these recommendations:

1. Fill spray tank more than half full of water.
2. Add dry flowables (DF) and wettable powders (WP).
3. Agitate until thoroughly dispersed.
4. Add all other active ingredients, adjuvants and **MSO Select**.

Note: For best results, apply within 36 hours of mixing.

STORAGE AND DISPOSAL

Storage: Store in a cool, dry place. Store in original container only. Do not add anything to the container. Keep container tightly sealed when not in use. Do not store near fire, flame or other potential sources of ignition. Do not contaminate water, food or feed by storage or disposal of this product. For optimal storage, store between 40° and 90° F.

Disposal: Do not reuse empty container. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal if allowed by law. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrcycle.org. Decontaminated containers and materials must be disposed of in a manner allowed by local, state and federal laws and regulations.

WARRANTY STATEMENT

Seller warrants that this product conforms to its chemical description and is reasonably fit for the purpose stated on the label, when used in accordance with directions under normal conditions of use, but neither this warranty nor any other warranty of merchantability or fitness for a particular purpose, expressed or implied, extends to the use of this product contrary to label instructions, or under abnormal conditions, or under conditions not reasonably foreseeable to the seller, and buyer assumes the risk of any such use.
