

TEE TIME SELECT™

GREEN PIGMENT ADDITIVE

Tee Time Select™ is a long term pigment solution that will provide a natural green color for extended periods. Color intensity can be adjusted by adding more or less Tee-Time Select to pesticide spray solutions. Use with pesticide spray solutions and apply with standard spray equipment to prevent skips and overlaps.

TEE TIME SELECT™

GREEN PIGMENT ADDITIVE

GENERAL INFORMATION

Add to pesticide spray applications to enhance the green appearance of turf. Promotes uniform application of pesticide sprays by leaving a visual indication of spray patterns. Prevent missed spots where no pesticide control has been applied. Prevent costly overlaps where pesticide has already been applied. **Tee Time Select** is a versatile, easy-to-use, non-toxic colorant for turf and ornamental, aquatic, industrial, municipal, utility, and rights-of-way applications of liquid pesticides and fertilizers. **Tee Time Select** shows applicators where they have sprayed and will help avoid costly oversprays and skips. **Tee Time Select** dissipates quickly in wet and dry weather and mixes completely with water soluble pesticides and fertilizers without affecting chemical efficacy.

DIRECTIONS FOR USE

Shake well before using.

Use Rates: (Adjust as needed for desired color intensity). Use 20 ounces of **Tee Time Select** per acre of turf being sprayed. ***Tee Time Select** will color any surface with which it comes in contact. Cover all surfaces near the area being sprayed that must remain color-free.

STORAGE AND DISPOSAL

Storage: Store in original container only. Keep container tightly closed and do not allow water to be introduced into the contents of this container. Do not contaminate water sources by run-off from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame. Do not contaminate food or feed by leak, spill, or disposal of product. Do not store with oxidizing agents or ammonium nitrate.

Disposal: Dispose of empty containers by triple or pressure rinsing or equivalent, adding rinsate to the spray tank, then offer for recycling, or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.

Note: According to the U.S. Environmental Protection Agency, Office of Pesticides and Toxic Substances, no clearance is required of this product under 40 CFR 180, subpart D for use on non-food crops. This product is not approved for edible or food crop use.
